

THIS IS SUBURBAN DAY

There Will Be Five Starters in the Great Event.

FOUR OTHER RACES TO-DAY

First Race Set for 2 O'clock—Ladies Will Be Admitted to the Park Free of Charge—Large Crowd Expected.

This is the opening day of the Anaconda race meeting, and never in the history of the track, which has scored many brilliant records, has a meeting opened under such favorable auspices. Horses from East and from the West are well represented, together with a good sprinkling of those who first saw the light of day across the water in the first nursery of the thoroughbred. These horses representing the best blood of two countries will contest for honors on the Anaconda track. The trotters and pacers are represented by a long string that have marks in the teens and come from all parts of the United States from as far east as New York and from the famous breeding state of California in the West.

The people who may have thought that the opening day of the meeting would not be one of the best have been greatly mistaken. This is the Montana Suburban day, one of the blue ribbon events of the Montana circuit, the stakes being worth \$705. From the spectator's point of view it is one of the prettiest races that can be run on a mile track, the distance being a mile and a quarter, and the horses pass the grand stand twice during the race. There are four events down on the programme for to-day, two running, a pacing and trotting event. Not satisfied with these splendid features, which would guarantee a good afternoon's sport in any country, the management has seen fit to add another exciting, and on this track novel feature, as an extra in the form of a hurdle race. There are several very clever jumping horses at the track, and these are entered for to-day's 1 1/4 mile hurdle race, which will be the closing event of the day.

Once more the management in its generous and gallant spirit, has thrown the gates wide open to ladies, and no admission fee will be collected from them upon entering the grounds. There will undoubtedly be a large crowd present this afternoon at the track, the large gathering of spectators always present at the race meetings, will undoubtedly be reinforced by many residents of Butte. The B. & A. & P. has put on a special train for the accommodation of visitors from the great mining metropolis. An excursion train will leave Butte each day at 10 o'clock and after making a brief stop at the depot in Anaconda, will run out to the track, landing passengers within a few yards of the entrance gate. The same train will leave the B. & A. & P. depot in this city at 9 o'clock in the evening.

The first race of the afternoon will be called at 2 o'clock. The entries for to-day's races are as follows:

First race, running, half a mile, has eight entries. George Henderson, nominated Red Dick; J. L. Carlson, Gold Bug; Colusa stables, Sport McAllister; N. S. Hall, Midget; B. McGinley, Minnie; Reavis Bros., Lark; Spokane stables, Carrie Shaw; Boise stables, Carrie Crook. Second race, running, one and a quarter miles, Montana Suburban day, 2-year-olds. Mr. Daly names Bateman and Beaucaucher; B. McGinley, Gilroy and St. Jacob; T. McTague, Emma Mc.

Third race, trotting, 2:23 class. S. C. Tryon nominates Maud Fachen; Witch Hazel Stock Farm, Anita; Senator Hoffman, Boseman; Dowden & Warren, Warwick Medium; T. E. Farabee, Alarmist; H. W. Brown, Miss Foxie.

Fourth race, pacing, 2:16 class, has the following entries: Ed Fyle, Bonnie B.; Barrow Bros., Del Norte; J. L. Carlson, Brine; Trux, Higgins Bros., Scott Girl; Witch Hazel Stock Farm, Kittitas Ranger; Senator Hoffman, Volla.

Fifth race, one and one-eighth mile hurdle race. The entries are: N. S. Hall, Longwell; C. H. Durkee, St. Croix; Hoag & Little, Antell; E. Andrews, Greenhook.

Pools on to-day's events were sold at the Montana last night, the opening race and the Suburban were sold freely, especially the latter. The selling in the first event was as follows: Red Dick, \$10; Midget, \$5; Gold Bug, \$5; the field, \$5. In the Suburban, Mr. Daly's stable sold for \$30; Mr. McGinley's, \$20; and Emma Mc, \$10. In the 2:23 trotting race Maud Patchen, \$10; Miss Foxie, \$5; Alarmist, \$5; field, \$5. There was little selling done in the pacing and hurdle races.

The music at the track will be furnished by the Copper City Cornet band which will, during the afternoon, render the following programme:

MISSOULA V. S. ANACONDA.

And the Fats Against the Leans Are Games Set for To-Morrow.

The baseball match between the Fats and Leans is set for to-morrow at 1:30 o'clock. It will be a short game and a prelude to a game between Missoula and Anaconda. The last named game was to have taken place in the University City last Fourth of July, but owing to the strike it was impossible for the Anacondas to reach Missoula, so the game had to be postponed. It will be a great afternoon for sport as the opening game promises to be a hard fought battle. The Leans declared that they are going to be revenged for the Waterloo they met a few weeks ago. The game between Missoula and Anaconda will be a ball game from start to finish. The visitors are said to have a splendid nine and will be hard to beat.

In the Municipal Court.

John Howard, the man who gave such a splendid imitation of a cripple in town a few days ago, was charged yesterday in Judge Rockwell's court with disturbing the peace. He pleaded not guilty and was given a trial, which resulted in his being found guilty and receiving a sentence of 30 days in Deer Lodge. A similar charge was preferred against George Williams, the legless man, who took a prominent part in entertaining John Kennedy when he was held up by a gang of hoboes a few days ago. Williams also demanded a trial, and was found guilty and sent down for 30 days.

Thomas Gaffney and James Ryan, two

more hoboes belonging to "the gang that has infested the town lately, were charged with vagrancy. They pleaded guilty. The court gave Gaffney a 15 day term and a hour in which to use it, but Ryan did not get off so fortunately, receiving the contagious sentence of 30 days in the county jail. He will be held in Anaconda for a few days in order to allow him to sign his deposition in the robbery case in which John Murphy and James Phillips are defendants.

At the Montana.

Those registered at the Montana yesterday were: Tom McTague, Deer Lodge; A. A. Adams, Denver; M. Murray, Louisville, Ky.; J. E. Bourke, Chicago; W. D. Burgess, St. Louis; S. McMullin, New York; A. T.
